

IN THE SPECIFICATION

The Office Action requested that Applicant add a "Summary of the Invention" description to the application. However, Applicant kindly points out that both M.P.E.P. 608.1(d) and 37 C.F.R. §1.73 do not require a "Summary of the Invention" in a patent application. They merely indicate where in the application the "Summary of the Invention" should be placed if Applicant elects to include one. In particular, 37 C.F.R. §1.73 only states that "[a] brief summary of the invention ... should precede the detailed description." Accordingly, Applicant has elected not to include a "Summary of the Invention" as this is within the discretion of Applicant.
